INTERNATIONAL TECHMART VIETNAM 2015

1st - 4th October 2015

Venue: Hanoi International Center for Exhibition
 91 Tran Hung Dao street, Hanoi, Vietnam

PARTNERSHIP FOR INTEGRATION AND SUSTAINABLE DEVELOPMENT

INVITATION LETTER

The International Techmart Vietnam 2015 is a good event for promoting the commercialization of research results and advanced technology trading, contributing to the development of technology market and international integration of science and technology. This year, in addition to the participation of the ASEAN countries and partners in the Region, many agencies/partners from the European Community, the United States, Russia and other countries in the world have registered. The Ministry of Science and Technology together with the Hanoi People's Committee, the Ho Chi Minh City People's Committee will co-chair, organize the International Techmart Vietnam 2015 scheduled to take place from 1st - 4th October 2015 at the International Exhibition Centre in Hanoi, Vietnam.

We warmly welcome and encourage the active participation of all local and international science and technology institutions/organizations, businesses, groups and individuals who are interested in offering, searching, buying technologies and equipments in all fields to the International Techmart Vietnam 2015.

We hope that the International Techmart Vietnam 2015 will be strongly supported and joined by Ministries, international, central and local agencies, science and technology associations, research and development (R&D) institutions, universities, enterprises and individuals.

MINISTER
MINISTRY OF SCIENCE AND TECHNOLOGY

NGUYEN QUAN

INTERNATIONAL TECHMART VIETNAM 2015

BACKGROUND

International Techmart Vietnam 2015 – The biggest technology exhibition in Vietnam
